

Report to the Auburn City Council

Agenda Item No 16

City Manager's Approval

To: Mayor and City Council Members
From: Jennifer A. Solomon, Code Enforcement Officer
Date: June 11, 2012
Subject: Non Payment of Administrative Citations, Authority to Assess Tax Roll

The Issue

Shall the City of Auburn recover administrative citation fines by placement on the Tax Roll Assessment?

Conclusions and Recommendation

Staff recommends that the City Council, by resolution, approve the Tax Roll Assessment for Administrative Citation's report and direct the City Clerk to file a certified copy of the report with the Placer County Auditor-Controller in order to collect.

Background

The enforcement of the Auburn Municipal Code authorizes staff to issue administrative citations in cases of non-compliance. The cited individual has the right to appeal the citation. In each of the cases attached herein, the citations were not appealed. When administrative citations have not been paid, Auburn Municipal Code Section 10.96 allows staff to pursue any and all legal equitable remedies for the collection of delinquent fines (i.e. recorded as a lien; as a special assessment; or other means of collecting (collection agency)). This action is the result of such non-payment.

A total of five (5) parcels have enforcement fines which are presently delinquent for a total of \$3,531.00, including late fees and interest (see Attachment 6 - Exhibit A). Attachments 1-5 are the proposed resolutions which will authorize the City of Auburn to assess each property owner by placing the cost of the fine(s) directly onto the individual property owner(s) tax roll. Attachment 6 is the resolution required by the Placer County Auditor-Controller's Office as authorization to collect charges. These actions are required by the City Council to proceed forward for collection.

As you may recall, staff was before you last year regarding tax roll assessments for non payment of Administrative Citation's. Provide below is a summary of each case (does not include all communication with the owner), timeline and amount due for each property:

1. **267 Live Oak Street** - On September 23, 2011, Auburn City Fire Department was attempting to place a warning notice on the front door of 267 Live Oak Street. However, they became concerned for their safety due to a hole in the landing area at the entry. On October 3, 2011, a letter was sent to the property owner advising him of the violations and a timeframe for compliance. A "Danger" notice and caution tape was posted at the vacant property to warn the public. On October 27, 2011, staff noticed some improvements had been made but without the benefit of a building permit. A "Stop Work Order" was posted and a citation was issued. The citation was not appealed or paid. With the late fees and interest, the total due is \$353.10.
2. **105 Terrace Street** - On February 9, 2011, staff received a complaint regarding debris and vehicles at 105 Terrace Street. On March 14, 2011, a letter was sent to the property owner advising of the violations and a timeframe for compliance. The owner had requested an extension for the cleanup and staff agreed. On May 16, 2011, a citation was issued for non compliance. On June 11, 2011, staff received another complaint and second citation was issued for non compliance. The citations were never appealed or paid. With late fees and interest, the total due is \$353.10.
3. **568 Sawka Drive** - On June 29, 2011, staff received a complaint regarding trash accumulation at 568 Sawka Drive. Prior to this date (2009 & 2010), staff had received other complaints regarding trash accumulation at this address. Staff sent letters and citations to the owner. The owner would establish trash service with Recology Auburn Placer but service would be shut off or the trash wasn't placed at the curb for pickup. On August 9, 2011, a citation was issued for non compliance. The citation was not appealed or paid. With late fees and interest, the total due is \$588.50.
4. **505 Barooshian Court** - On March 17, 2011, staff received a complaint regarding debris in the back yard and trash accumulation at 505 Barooshian Court. On March 21, 2011, a letter was sent to the property owner advising of the violations and a timeframe for compliance. On April 4, 2011 and May 9, 2011, citations were issued for non compliance. The citations were not appealed or paid. With late fees and interest, the total due is \$353.10.
5. **203 Electric Street** - On August 31, 2009, staff received a complaint regarding several substandard violations at the Sterling Ridge Apartments (203, 205, 207 Electric Street). Staff met with the property owner and property manager on September 14, 2009 to review the condition of the property, and issued a follow up letter to the property owner on September 21, 2009 outlining the violations and timeframe for compliance. Over the past two-and-a-half years, the owner rectified all of the violations, with the exception of substandard stairways to several units. The owner attempted to bring the stairways into compliance, but that work was done without valid permits, did not call for inspections and is not code-compliant. In an effort to gain compliance and keep the property on track for completion, staff has met with the property owner on multiple occasions and has provided the owner with numerous correspondences. To date, compliance is still outstanding. Staff issued multiple citations on this issue; these outstanding citations were not appealed or paid. With late fees and interest, the total due is \$1883.20.

Alternatives Available to Council; Implications of Alternatives

1. Adopt the resolutions.
2. Modify the resolutions; direct staff to collect fines in another manner (record a lien or send to Placer Creditors Bureau).
3. Take no action, administrative fines will not be placed on the tax rolls.

Fiscal Impact

The fine amount collected from the City Council action will reimburse the general fund for administrative enforcement. Actual reimbursement will not occur until the 2012/2013 Fiscal Year.

FOR THE CITY OF AUBURN- NON PAYMENT OF ADMINISTRATIVE
CITATIONS

TAX CODE NUMBER 60701

DIRECT CHARGE NAME: NON PAYMENT OF ADMINISTRATIVE
CITATIONS

Whereas, the City of Auburn (hereinafter "District/City") requests the County of Placer collect on the County tax rolls certain charges which have been imposed pursuant to section 39574 of the Government Code and Auburn Municipal Code Chapter 10 by the District/City, attached hereto, and

Whereas, the County has required as a condition of the collection of said charges that the District/City warrant the legality of said charges and defend and indemnify the County from any challenge to the legality thereof,

Now, Therefore, Be It Hereby Resolved by the Board/Council of District/City that:

1. The Auditor-Controller of Placer County is requested to attach for collection on the County tax rolls those taxes, assessments, fees and/or charges, attached hereto.

The District/City warrants and represents that the taxes, assessments, fees and/or charges imposed by the District/City and being requested to be collected by Placer County comply with all requirements of state law, including but not limited to Articles XIII C and XIII D of the California Constitution (Proposition 218).

The District/City releases and discharges County, and its officers, agents and employees from any and all claims, demands, liabilities, costs and expenses, damages, causes of action, and judgments, in any manner arising out of the collection by County on the property tax roll of any taxes, assessments, fees and/or charges on behalf of District/City.
4. In consideration for the County's collection of the charge through the County's property tax roll, the District/City agrees to and shall defend, indemnify and hold harmless the County, its officers, agents and employees (the "Indemnified Parties") from any and all claims, demands, liabilities, costs and expenses, damages, causes of action, and judgments, in any manner arising out of the collection by County of any of District's/City's said taxes, assessments, fees and/or charges requested to be collected by County for District/City, or in any

manner arising out of District's/City's establishment and imposition of said taxes, assessments, fees and/or charges. District/City agrees that, in the event a judgment is entered in a court of law against any of the Indemnified Parties as a result of the collection of one of District's/City's taxes, assessments, fees and/or charges, the County may offset the amount of the judgment from any other monies collected by County on behalf of District/City, including property taxes.

5. The District/City agrees that its officers, agents and employees will cooperate with the County by responding to all inquiries referred to District/City by County from any person concerning the District's/City's taxes, assessments, fees and/or charges, and that District/City will not refer such persons to County officers and employees for response.
6. The District/City agrees to pay the County for the reasonable and ordinary charges to recoup its costs of placement and collection on the tax rolls at the agreed upon rate of 1% of the taxes, assessments, fees and/or charges, as provided by Government Code sections 29304 and 51800.
